RESEARCH

Member of the Technology and Operations Management (TOM) Research Group and Strategy Practices and Organisations (SPO) Research Centre within the Aston Academy for Research in Management (AARM).

Formerly Head of the Technology and Innovation Research Centre (TIRC) and the Aston Centre for Asian Business and Management (ACABAM).

Current research interests

Policies and strategies relating to the design and implementation of production and operations systems, including process innovation, production organisation, quality management, work design, implementation and management of technology.

Management of international operations, including international technology transfer, design and control of production systems in multinational enterprises and foreign joint ventures.

Country specialisations: Japan, China and Hong Kong SAR, Malaysia, Singapore, Sweden.

Current research projects

Sustainable Local Production Systems: A Retrospective Study of Manufacturing Companies in Sweden after 30 Years (with Mats Winroth, Chalmers University, Gothenburg and Bengt Almgren Solving Efeso AB, Gothenburg)

Managing Sustainable Production Systems: A study of Australian Manufacturing (With Claudine Soosay, University of South Australia, Adelaide)

Research partnerships

- European Automotive Strategy Network, 2010-
- University of the Thai Chamber of Commerce, 2008-2010
- First Water Ltd, 2004-2006
- Sturge Industries Ltd, 2001-2003

- Renmin University of China, 1989-2000
- International Computers, 1986-1990
- Delco Products, 1985-1989

RESEARCH FUNDING

Research Contracts (named investigator)

Investigating the Sustainability of the Manufacturing Sector in the Malaysian Economy (Co-Investigator with Dr J Jabar, Universiti Teknikal Malaysia Melaka, and Dr C Soosay, University of South Australia, Malaysian Ministry of Higher Education, 2011-2014. Total value MYR 50,000 [£10,000])

Managing Sustainable Production Systems: A Study of Australian Manufacturing (Co-Investigator with Dr C Soosay - University of South Australia School of Management Small Grants Scheme, 2010-2011. Total value AUD 2596.84 [£1,600])

Improving supply chains through performance measurement and management (Co-Investigator with Dr P K Dey and Dr D Shaw - PMI2 Connect Research Co-operation Award with the University of the Thai Chamber of Commerce, 2008-2010. Total value £37,000).

Robust Operational Network Design (Co-Investigator with Dr N J Brookes - EPSRC/Dunlop Aerospace Ltd. Industrial CASE Award, 2006-2009. Total value £81,152).

Strategic Responses to Network Globalisation: An Action Research Study in the Aircraft Seating Business (Co-Investigator with Dr N J Brookes - EPSRC/Britax - Contour Premium Aircraft Seating Ltd., Industrial CASE Award, 2006-2009. Total value £80,000).

Manufacturing Process Efficiency Improvement. (Co-Investigator with Dr M Leseure and Dr P G Burcher - TTI/First Water Ltd, 2004-2006. Total value £202,088).

European Thematic Network for Excellence in Operations and Supply Chain Management Education, Research and Practice (EU SOCRATES/ERASMUS 3. Core group member of project led by Universidad de Sevilla, 2004 - 2006. Total value for network 121,705 euros [£83,300]).

TQEF Practice Based Project on Establishing VLE Resources for Operations Management (Co-Investigator with Dr P Forrester and A Greasley - Higher Education Funding Council for England, 2001-2002. Total value £4,450).

Audit and Re-engineering of Design, Manufacturing and Support Processes (Principal investigator - TCD/Sturge Industries Ltd, 2001-2003. Total value £89,537).

Success Factors for EU-China Joint Ventures (Co-Investigator with Prof Wang Xing Ming - EU-China Higher Education Co-operation Programme, collaborative project with Renmin University of China, 1999/2000, Total value ECU 12,000 [£8,390]).

Medium to Long Term Impact of the Transfer to China of European Advanced Technology and R&D Capacity (Co-Investigator with Prof D Parker, Dr X Liu, K G Vaidya and Dr F Steward - European Commission DG1, 1998, Total value ECU49,840 [£33,840]).

Technology Transfer Secondment: Evaluation Models for Global Manufacturing - Technology Valuation, (Principal Investigator - EPSRC/BSA Tools, 1998-1999, Total value £23,556). Grant Ref. GR/M09216.

Evaluation Models for Global Manufacturing - Technology Valuation Model Development (Principal Investigator - EPSRC Visiting Fellowship, 1997-1998. Total value £5,500). Grant Ref. GR/L84728.

Evaluation Models for Global Manufacturing (Principal Investigator - EPSRC, 1996-1998. Total value £107,440). Grant Ref. GR/K82666.

Industrial Development and Technology Transfer under China's Economic Policy Reforms (Principal Investigator - British Council, 1993-1996. Total value £20,000). Grant Ref. PEK/0992/251.

The Limits to Flexibility in Electronics Production: A Firm and Sector Case Study (Co-Investigator with Prof J Hassard (UMIST- ESRC, 1990-1992. Total value £39,527). Grant Ref. R000232391.

Evaluation, Design and Implementation of High Variety Assembly Systems (Principal Investigator - SERC/International Computers, 1986-1990. Total value £129,364). Grant Ref. GR/E04554.

Investigation of Operational and Organisational Problems in Implementation of Computer Aided Production Management (Co-Investigator with Dr P Clark - SERC, 1986-1990. Total value £133,457). Grant Ref. GR/E04561.

Development and Installation of a Statistical Process Control Scheme for Vendors (Co-Investigator with Dr D Scrimshire and Prof C D Lewis - SERC/Delco Products, 1985-1989. Total value £172,426). Grant Ref. GR/D71542.

Personal Research Activities and Grants

Supported Researcher grant from University of South Australia (2010-2011)

Various grants for conference attendance (MCB University Press / Emerald Publishers, annually from 1995 to 2009).

Travel grant for collaboration with the Center for Industrial Production at Aalborg, Denmark (University of Aalborg, 1999).

Member of EPSRC group visiting USA to benchmark manufacturing, engineering and technology management research (EPSRC, 1999).

Travel grant for conference attendance and research in Egypt (Royal Academy of Engineering, 1999).

Travel grant for conference attendance and research in Japan (Royal Academy of Engineering, 1997).

Grant to conduct research seminar in Beijing, China (British Council, 1996).

Invitation Fellowship for Research in Japan (Japan Society for Promotion of Science, 1995).

Grant for professional visit to Ukraine (British Council/Foreign and Commonwealth Office Know How Fund, 1992).

Grant for professional visit to China (British Council, 1991).

Academic travel grant to visit Japan (British Council, 1990) and grant to conduct Competitive Benchmarking Exercise in Japanese Companies (International Computers Ltd., 1990).

Academic Links With China Scheme: Funding to visit People's Republic of China (British Council, 1989).

Operations Management Within the European University Network - research in France (Commission of the European Communities ERASMUS Programme, 1987-1988).

Developments in the Design of Production Systems - research in Sweden (ESRC/HSFR Exchange Scheme, 1984).

Technical and Organisational Approaches to Maximising Productive Resource Utilisation - research in Sweden (SERC European Short Visit Grant, 1980).

RESEARCH STUDENT SUPERVISION (main supervisor unless otherwise stated)

Candidate	Subject
Abd Rahman A	The Mechanism of Governance in Advanced Manufacturing Technology Implementation - PhD, Aston University (completed).
Ahmed J U	Reliability Monitoring, Feedback and Improvement Systems in the UK Machine Tool Industry - PhD, Aston University (completed).
Alias J	Knowledge Transfer in Different Knowledge Flow of Projects: Towards a Contingency Approach - PhD, Aston University (former supervisor - before retirement).
Al-Fahhad J	Assessing the Capability to Acquire and Absorb Technology within the Public Sector in Developing Countries: The Case of Kuwait - PhD, Aston University (completed).
Bhasin S	A Study of the Impact of Lean on UK Manufacturing Organisations That View It as a Philosophy - PhD, Aston University (co-supervisor - completed).
Brown P	Supply Chain Management (SCM) of Corporate Social Responsibility (CSR) for Sustainability: An Auditable Management Framework for Business Performance - PhD, Aston University (former supervisor - before retirement).
Chen W S	Mobile Communications Technology: Organisational Strategy in the Institutional Context - PhD, University of South Australia (completed).
Cheng J D G	An Investigation into Strategies Affecting the Long-term Performance of Chinese Chemical Companies - PhD, University of South Australia (completed).
Driouchi T	Real Options and Multinational Investments: An Empirical Study of Risk, Performance and Organisational Awareness - PhD, Aston University (completed).
Eydgahi H Y	Perceptions of Technological Change: The Attitude of Managers Towards Group Technology in the US Food Equipment Industry - PhD, Aston University (completed).
Forrester P L	A Generic Model for the Design and Analysis of Production Systems - PhD, Aston University (completed).
Geraldi, J	Reconciling Order and Chaos in Multi-Project Firms: An Empirical Study of CoPS Producers - PhD, University of Siegen (joint supervisor - completed).
Greasley A	Enabling the Use of Simulation - PhD by published work, Aston University (completed).
He C X	An Investigation of Factors Influencing Performance in Sino-foreign High Technology Joint Ventures - MSc by Research, Aston University (completed).
Hipkin I	Implementing Physical Asset Management Systems: Determination of Success Factors and Outcomes Measurement - PhD, Aston University (completed).
Hsieh W L	Knowledge Sourcing, Absorptive Capacity and Innovation: A Comparative Study of High-Tech and Low-Tech Firms in Taiwanese Industry - PhD, Aston University (former supervisor - before transfer).
Karvinen K E	Developing and Implementing a Process of Integrating Internal and External Customers and Technology in the Building Components Industry - PhD,

	University of South Australia (completed).
Kotula M	Sustainability of strategic sourcing – DBA, Aston University (former research advisor - before retirement).
Kring P	Designing International Production: An Empirical Study Conducted Within the German Machine Tool Manufacturing Industry - PhD, University of Siegen (joint supervisor - completed).
Lau D H Y	Company Partnerships as a Medium for Diffusing Management Controls: A Study of US-controlled Sino Joint Ventures and Chinese State Owned Enterprises in the Manufacturing Sector - PhD, University of South Australia (completed).
Lee W T F	A Study of the Critical Success Factors (CSFs) and Contextual Organizational Variables That Impact the Outcome of Quality Programme Deployment on Organizational Performance - PhD, University of South Australia (in progress).
Lee K N	Assessing the External Competitiveness of the Tourism Industry in Hong Kong - PhD, Aston University (co-supervisor - completed).
Lee S J	Implementation of TPM in the Printing Industry: Technological Change Through Action Research - PhD, University of South Australia (completed).
Lele S	Institutional Influences on Manufacturing Best Practices, Strategic Fit and Competitiveness: A Study of the Indian Manufacturing Sector - PhD, University of South Australia (in progress).
Li X	Trust in International Joint Ventures in China - MPhil, Aston University (co-supervisor - completed).
Martjanova (Thomas) J	Technological Development and its impact on Economic, Competitive and Export Performance: a comparative study of Russia's Oil and Forestry companies - PhD, Aston University (co-supervisor - completed).
Niango S A	Enterprise Modelling, Dynamic Capabilities and Firm Performance: A Study of UAE Firms - PhD, University of South Australia (in progress).
Nunes, B T S	Greening Operations: An Investigation of Environmental Decision Making - PhD, Aston University (completed).
Ozdenli O	The Role of Technology Transfer in the Internationalisation of Small and Medium Sized Enterprises - PhD, Aston University (former supervisor - before retirement).
Pendlebury D T	The Design and Implementation of a Computer Based Maintenance Information System - PhD, Aston University (completed).
Redi N	Impact of Global Competition on Italian SME's Innovation Determinants - PhD, Aston University (former supervisor - before retirement).
Sadd R	A Post-Structural Analysis of Perceptions and Experiences of Continuity and Change within the UK Automotive Supplier Base - PhD, Aston University (completed).
Sanchez Preciado D	Knowledge Management Processes Underpinning Innovation in New Product Development in Colombian Small Enterprises - PhD, Aston University (former supervisor - before retirement).
Singh A	How to Identify and Mitigate Supply Chain Disruption Risk, with the Aid of Information Flows and Social Network Analysis - PhD, Aston University (former supervisor - before retirement).

Shi N S	The Critical Management Information Systems Issues and Information Systems Personnel - A Study and an Analysis in Singapore - PhD, University of South Australia (completed).
Tan B L	Development of an E-business Selection Framework for Manufacturing SMEs: A Study of the Printing Industry - PhD, Aston University (completed).
Tan K J	The Role of Management Philosophy in Sustaining QCC Activities in Singapore - PhD, University of South Australia (completed).
Tang S N	The Selection and Administration of Chinese Foreign Study - MSc by Research, Aston University (co-supervisor - completed).
Trott C	The Provision of Quality Awareness Programmes Amongst Organisations Seeking BS 5750 Registration - MSc by Research, Aston University (completed).
Tsui P	The Development of an Information and Communications Technology (ICT) - Based Supply Chain and Logistics Management Framework for Hong Kong-based Manufacturing Companies - PhD, University of South Australia (completed).
Zhao H Y	Technology Valuation Within the Context of Transfer Collaborations With Chinese Machine Tool Companies - PhD, Aston University (completed).
Zhao Y	Supplement of the Virtual Learning Environment for Information Systems Graduate Education - MSc by Research, Aston University (replacement supervisor - completed).
